DELICIOUSNESS IS IN THE DETAILS

KEEPING IT REAL

We use only *Creekstone Premium Black Angus Beef* which features: No Antibiotics • No Added Hormones • No growth promoting drugs • No Artificial Ingredients • 100% Vegetarian Diet • 100% American Beef • All cattle are sourced Verified to American Ranch of Birth • Humane Animal Handling Practices • Although raising cattle using these guidelines takes longer and is more work, Creekstone Farms and Big Orange believe it's the right thing to do.

A TALE OF TWO BUNS

Our signature buns are made every day by Ashton Woodward, Master Artisan Baker, of Arkansas Fresh Bakery in Benton, Arkansas. We went to Ashton looking for a way to balance the decadent flavor and visual appeal of a Brioche bun with the fluffy, airiness of a Challah bun. After many months of trial, error, and bread devouring, our rich, yet light and fluffy, Big Orange bun was born.

ONE BIG ARKANSAS FAMILY

We believe the best ingredients are the ones you find in your own backyard. Partnering with local farmers, bakeries, and artisan shops allows us to create superior tasting burgers, salads, desserts, and beverages while building community in our home state.

These are just a few of our incredible local partners. Know of a farm or shop that would make a great partner? Email us at ARPartners@BigOrangeBurger.com.

Mind the pits! Although we use pitted olives, olive pits and olive pit fragments may be encountered in items containing olives. Our friendly neighborhood health inspector wants you to know that consuming raw or undercooked foods such as meat, poultry, eggs, or seafood may cause serious illness. If you have a food allergy, please notify your server when ordering. **Big Group?** 18% gratuity may be added for parties of 8 or more. **Thank you kindly.**
